As the holidays speedily approach, there's a pretty big chance you're thinking, "Oh crap, I forgot to send *[insert friend's name here]* a gift!" Enter the last-minute holiday shopper's savior: subscription boxes. With a few clicks of a button, you can solve all of your gifting woes; simply sign up your friend for a gift box she'll love, then shoot her a text or card that says: "It doesn't go under your tree, but expect a holiday gift from me in the mail!" Ba-da bing, ba-da boom, you've checked that last name off your list without even leaving the house.

If the friend left on your list happens to be a single woman, your possibilities for gift boxes are endless. From candles, new books, or cocktails to full-sized beauty products, simply peruse our list of subscription box ideas perfectly tailored to several types of single women. So whether she's a homebody, wine-lover, or pleasure-seeker, you're sure to find the perfect shipment for your single (and proud!) BFF on our idea list. Happy shopping!
